RCM Issues- Saturday, December 10th

- **Several Areas transitioning to Consensus Based Decision Making (CBDM) and have requested ESH from body.**

The RD/RDA coming out to Areas has been helpful. Are there other materials to help? One idea was to put up tutorial videos on website. Updates with website would make it capable of hosting streaming video. A perspective was offered that a live workshop would probably be more helpful. Can be challenging to attract newer members to workshops; to make it interesting. Areas that have implemented CBDM made several suggestions: best way to learn is just “to do it”, be aware that it will take time because it’s a culture change, this is not a “one time thing” but a process and preparedness is also crucial. One RCM offered to attend an Area meeting as a support resource. Straw poll: Areas operating under Robert’s Rules- 3, CBDM- 9, Hybrid- 1. One member suggested that there is a component to the transition involving Traditions and Concepts and how they complement one another. A lot of interest on the floor about a workshop at the next Region.

- **A representative for Savannah Low Country (Charles) reported a split in his Area, and that SLCA still exists with 5 groups and will be meeting in Statesboro on January 8th. Greg, serving as Area Treasurer, challenged this, stating that there was a name change of the area and not a split.**

RCM of the Greater Savannah Area (Vicki L.) would not be present due to a Funeral but would be present on Sunday. Much discussion ensued on the floor by many members of the body. Some concerns addressed: Who will be recognized by the floor? What is the truth? What really happened? How can Region help? What about unity? How does this affect the division of service bodies? How does this affect the Newcomer? What are the legal factors involved with incorporation issues and bank accounts—because Region does not get involved in legal issues. What is the official procedure for recognition on the Region floor; who sits at the table? Consensus on the floor: a mediation process to preserve unity would be a solution and that issues must not be worked out on the Region floor, especially since there is such a lack of information. RD/RDA, along with the other members of Admin body, offered to mediate. In order for Region to function today, for business dealings on Saturday, Representative from SLCA will be recognized since other RCM of GSA not present.

- **Room reimbursement**

Why is only half the price of hotel room reimbursed for Regional Admin? Is it possible to encourage room sharing? Is this limiting who can serve due to financial strain?

SUBCOMMITTEE REPORTS

H&I Report- Jason W.

Hello GA Region,

Today we started discussion at 9:00am for the first time in a long time. We discussed area problems and offered experience when it was available and necessary. We had a full administrative body today. We had a lot of participation.

Our business meeting started 9:30am.

We had 7 of 15 Area's represented today. I happy to report that our bridge coordinator was present and she had a lot of answers to questions the area H&I chairpersons asked. Our new secretary from last quarter did a terrific job on the September minutes. It was brought to our attention that the Savannah Low Country Area has changed its name and could not afford any literature for the facilities it serves. I'm submitting a request for literature that has been budgeted the Regional H&I chairperson to help during this time.

Our workshop at GRCNA will be titled "Getting clean and staying clean through H&I". We request to not be scheduled during the men's and women's speaker meetings please. Our plan is to have two members one male and one female share just like a normal workshop. Please attend and support.

The Regional PR chairperson and I are planning to have a "metro service day" in the Atlanta area sometime in April. Our desire is to have a large meeting with a GRCNA fundraiser to finish the day. We have commissioned an ad-hoc committee to compile information about possible facilities for our event. Dewayne E is spearheading the ad-hoc.

The ad-hoc ECCNA spokesperson Lisa S visited our committee today and told us about a possible bid for ECCNA 2018 in the GA region. We are always happy to hear about and support this convention and to distribute the Basic text books that they faithfully donate to our GA prisons. I have received a case of Basic texts and several Spanish version Basic texts at the RSC today!

In loving service,

Jason W.

PR Report- Joe B.

Public Relations Subcommittee- 12/10/16

The committee discussed:

- The new website under construction.
- Area reps were given instructions on updating meeting information using BMLT and using the Google Calendar update event information.
- We discussed website security and felt that each area should limit the ability to sign on the regional site to an as needed basis. (generally, PR chair, H&I chair and RCM)
- We have a committee member who will help Coastal and South Georgia area to build their websites.
- Website will be launched no later than 12/31/16

- We created an Ad Hoc committee from PR and H&I to work on Regional Learning Day anticipated around April 2017.
- The committee decided upon a theme for the GRCNA workshop entitled “Are you smarter than a newcomer” that will focus on addressing some of the things that make up PR. While exposing some of the misinformation going around the fellowship.

The main accomplishments over the past 3 months:

We are going to purchase 100 Mugs and 100 T-Shirt to raise money for the committee; we plan on selling these at the convention and throughout the year. We are also going to interview possibly 15 people at GRCNA over the weekend. We would like to thank the CPP and GRC, Inc. for allowing us the space and time to interview people and sell items.

We are continuing to do interviews with our old-timers and hope that you have brought us more names and contact information for the old-timers in your areas. We are still in need of names from Augusta? Columbus? Savannah? Carrolton? Rome?

We are also in need of more volunteers to begin working on the transcriptions. So, if you know someone or you want to help, please contact Robert O at his email address, robertogahistorybook@gmail.com or call him at 678-776-0967 and he will assign you an interview to begin transcribing immediately.

We still need to create a public page on Facebook that anyone can see and request to be added to the Private page listed above.

We received a bunch of old stuff from a member in Tennessee at VRC and are eager to begin reviewing these Rainbow Connections and making some connections with these and the gray book or first editions.

We are getting some good ideas for the book and chapters and starting to get some of the writing done. We have a long way to go but slow and steady wins the race.

We continue to need the area representatives to get their groups to document the group history and return this information to the book committee. I hope that some of the areas here will be giving this information to us today. If not you still can participate, there is no deadline at this time but the sooner the better.

We have assigned committee members to specific areas of interest to begin working on drafting the writing of some of the chapters. For example, Mark has begun writing about the initial meetings. Dana (myself) will be working on South GA, Kim will be working on North Atlanta, Laverne and Regina are working on West End and Tera is working on Midtown. Jimmy is focusing on Piedmont and Sabrina will work on South Atlanta. This is just the beginning. We have so much information to consider.

We are honored that Mark and Scott have been invited to a History workshop in Naples, FL in January. This was invitation only to attend and discuss the preservation of our history? We believe that the information provided and obtained at this workshop will be very beneficial to our committee.

Again, we appreciate the support of the region for the committee. We can't do this without your input, obviously.

In loving services,

GRSC ADMINISTRATION REPORTS

Facilitator Report-Tate H.

Dec 2016

There is very little for me to report as facilitator for this quarter. I did expect this December and March RSC to be the slowest for my term as facilitator. Unless there is some planning to make the March RSC anything out of the ordinary I would expect this next quarter to be about the same. I did get a chance to sit in on the midtown ASC and talk some with the Clarence and Mawasi about service at area and region. The admin is working well to be prepared and stay out in front of our responsibilities. Right now the biggest focus in my life is my little growing bouncing 18 month old boy. He has brought me and Hannah so much joy and I hope to bring him to GRCNA so he can see our wacky fellowship.

Now that all the loose ends are secure within the admin committee I expect we will be able to put our energy into improving even more. We take direction from every regional meeting directly and indirectly and make efforts to fulfill our roles. I can be contacted in all the normal ways and look forward to hear from anyone who takes the time to discuss their ideas.

In loving Service

Tate H.

Co Facilitator Report- Hugh R.

December 11, 2016

Good morning everyone. Tate and I are going to be going around to all the area meetings sometime during the next 6 months. We are trying to get a feeling as to how the region can better serve the areas. We attended Mid-town's area meeting in November. We are also going to be coming to region early on Saturday morning to attend the various committee meetings. On Saturday Tate attended the PR committee meeting and I went to the CPP meeting. We are here to serve the areas and we are trying to figure out how we can be of better service to y'all. Tate and I are both accessible by email and cell phone. Please feel free to contact us about any issues that may arise in your areas or about anything that concerns the region. In loving service, Hugh R.

Secretary Report- Melissa N.

- **Template for RCM Report:** I created this to make it as PAINLESS as possible to submit electronic reports (since a few RCM's told me they wanted to learn how to submit them electronically). If you have any questions, let me know. And let's face it, would be MUCH easier for EVERYONE to read!!
- **Copy of Updated Policy:** Everyone should have received an electronic copy at last Sept Region. If you want a Hard Copy, please make a request to our Policy Liaison (Lynda B.)
- **Area Fliers:** PLEASE email me a copy of fliers (if you can, instead of handing me hard copies) because they will scan better into the Minutes.
- **Communication:** I hope that members feel that I am approachable. I'm available for questions, concerns, and assistance between Regions. Full disclosure: I am quicker to respond to emails and text messages.
- **Timely Minutes:** I apologize for the submission delay. If you need to verify any information or have any questions before Minutes are sent out, please feel free to contact me.
- **On a personal note:** I want to thank you for your compassion and patience as I go through difficult life circumstances from the loss of my Dad in May due to Alzheimer's with a somewhat sudden end-stage decline and then the completely unexpected loss of my Mom from heart failure in July. My parents loved this

fellowship because they got to experience the gifts of recovery through their daughter and countless others.

Treasurer Report- Karen M.

Discussion at the time of the report about the budget and prudent reserve (since Region is operating below prudent reserve).

Georgia Regional Service Committee Treasurer's Report – December 11, 2016 Prepared by Karen M. Treasurer

Dear Fellowship,

Since the last Region we have received three bank statements for September, October, and November 2016. Greg, our RD witnessed that the bank statements from the post office were unopened upon arrival at region. The reconciliation reports, bank statements, cleared checks and deposit slips for each of these months was audited on 12/10/16 by Tate, the region facilitator and Mike, the RCMA from East End Area. All statements were found to be accurate and in order. There is one check that has not cleared the bank. It is check #2189 to Shaw Industries for \$98.90. Total cleared deposits for September, October, and November 2016 was \$4715.97. We started December region with \$9,429.53 in our bank account. The income was \$2,274.75 less than what we spent.

This December 2016 RSC, 7th Tradition deposit will be \$3,882.78. There is also a deposit in the amount of \$4.45 from H&I Learning Day from November 2015 that was monies left over from the event. After checks printed at the December 2016 region we have \$8,610.03 in the account. The income was \$819.50 less than what we spent. Our prudent reserve is \$13,321.25, so we have a shortage of \$4,711.22. One of the reasons why we have used our prudent reserve is our insurance bill was paid and the budget was increased in which the prudent reserve of 33% was increased. We are using our prudent reserve for our expenses and this is the exact reason why we have one. Our administrative board has discussed going into our prudent reserve and just wanted our region to know we are using it. We are not worried, as it will all work out.

Hugh R. met me at Suntrust Bank and became a signer on the account.

It seems like my reports are always about the previous region, and I can produce this regions treasurer reports right now. So I am going to include December 2016 reports today.

Included in my reports will be:

1. Written Treasurers Report
- *2. Reconciliation Reports for the RSC checking account September 2016 thru November 2016

- *3. Check Register entries from September 2016 Region
- *4. Profit & Loss Statement for September 2016 Region which shows donations by group and expenses
- *5. Profit & Loss Statement for September 2016 Region which shows donations by group and expenses vs Budgeted
- *6. Check Register entries from December 2016 Region
- *7. Profit & Loss Statement for December 2016 Region which shows donations by group and expenses
- *8. Profit & Loss Statement for December 2016 Region which shows donations by group and expenses vs Budgeted

Thank you for allowing me to serve.

Insurance Liaison Report- Romer J.

Insurance Liaison Report

Hello Georgia Region,

Sorry I was not here for the last regional meeting. I had some family illness to come up that continues, but I believe it will not impact my service again. The last Region would have been my first as insurance liaison, but since that did not happen this is my first one.

Since the last time I was here there were a few people who contacted David regarding a copy of the certificate of insurance but they were eventually directed to me. There were two member groups and one retreat group that requested a certificate of insurance and one requested claim for damage to equipment that is in the air right now. There was also one group from near Dalton at a Salvation Army facility that went directly to the insurance company for a certificate. The insurance company forwarded me a copy of the document. That concludes my report.

Fourth Quarter 2016 RD Report- Greg S.

December RSC

During this last quarter, I attended four events on behalf of the region and conducted two workshops on **CBDM** at West End and Chattahoochee Flint River

Multi-zonal Service Symposium - Milwaukee, WI.

Several workshops were informative but the most intriguing was the one on the Future of the Conference. I have included the deck with my report and I will address further down.

Zonal Meeting – Greensboro, N.C.

The focus on the meeting was to

- 1). Define the Purpose of the Zone and
- 2). Develop a plan that would serve the Regions

The reason for our approach was that if we could define the role of the zones as they affect the regions we would have a better direction for how we establish the functionality of the WSC. There has been a lot of talk about changing the World Service Conference from a Motion Driven event to a Strategic Planning Event. The overriding idea that is in the beginning of taking shape is to make the conference a place where we write the CAR.

What we came away with was three task committees.

1. PR
2. H and I and
3. Service Delivery

Our investment in adobe connect is paying off.

Alabama NW Florida uses Adobe connect in their region to put on webinars. South Florida conducts webinars and gets participation from as far away as places like Germany and Puerto Rico.

There was a conversation about conducting an inventory at the conference and an audit of the FIPT. The NC Region put this on the floor. There may be some merit in some of these ideas so more will be revealed.

Zonal Budget

In the guidelines this body voted on, the zone established a Zonal budget. The budget for 2 years is \$15,750. Divided by 6 regions would be approximately \$1,300 per year. I am not asking for that check this weekend but will come to the body in March to take this up.

FIPT Letter: I received confirmation from one other ASC that they were in agreement with the letter.

NAWS received input from 49 of whom were regions. The response was 22 would approve the statement as written, 16 would approve it if revised, and 11 would never approve it. Given that fewer than half of delegates responded to the survey, there does not seem to be a conscience on releasing a statement from the WSC. The World Board will release a statement that reports on the WSC discussions, decisions, and straw polls perhaps along with some historical context.

PR/FD Zonal Contact: The 2016–2018 NAWS Strategic Plan includes a project focused on the relationship between public relations and fellowship development and the need for more collaboration and planning. This cycle’s strategy is to “Support the efforts of NA service bodies —especially those of zonal forums—to strengthen and grow NA as part of a coordinated, comprehensive PR strategy that advances the Vision for NA Services.” Zones are asking to provide a point person.

IDTs: NAWS is working on the Issue Discussion Topic material for this cycle.

The three topics this cycle are

- Applying our principles to technology and social media
- Our vision statement and atmosphere of recovery
- Introduction to our new book Guiding Principles

Recovery Literature Projects: NAWS is collecting input to help shape two recovery literature projects. These will be in the project plans for WSC 2018. One is a meditation book and another is an IP on recovery and mental illness/mental health. Just like the Traditions Book, we are being urged to help with this. There are webpages for each project with input questions online.

Mediation book page: www.na.org/meditationbook

Mental illness/mental health IP page: www.na.org/mhmi

Service Material Projects: NAWS is also working on a couple of “tool box” projects for service materials.

1. Conventions and events
2. Local service tools

World Environmental Scan

NAWS uses a tool for planning called the Environmental Scan. This tool is used by World Services to survey the current state of the fellowship. It has questions pertaining to the health of the structure of our organization as well as our relationship with outside entities. Along with that, it is surveying trends that we detect. This is something that we need to fill out at the next RSC. I will include this in my report or the next communication with you.

Secretary Note: ATTACHED SEPERATELY WITH MINUTES

Human Resource Panel (HRP)

The HRP is asking for candidates who want to be considered for world service level positions to start the process. Also for service bodies to consider those people deemed appropriate to be forwarded.

OPEN FORUM

- **Vickie L. present after being unable to attend Region on Saturday. She said that SLCNA changed its name but it is not a new area, Greater Savannah Area of Narcotics Anonymous.** She does have a copy of the Area Minutes. The reason why: to distance themselves from 5013C. Have not been notified that any group has succeeded from that Area. Further discussion ensued with same questions from previous day. Who would be recognized? It was reminded that we have no old business today. Both Vickie and Charles agreed to sit out on any voting today.
- **Use of time at Region on Saturday/Workshop**
RCM's are interested in a Workshop at next Region on the Concepts & Traditions.

Took recess

Reconvened 10:53 a.m. Back to Open Forum:

- **Use of time at Region on Saturday/Workshop continued**
Time on Saturday to do workshop... straw poll unanimous. One RCM reminded use of time in Agenda. There will be clearly defined time use for workshop and RCM issues in next agenda.

- It seems a Topic 2014-16 (Dec 2014) was not added to Policy, which regarded guidelines for how Open Forum will be conducted.
- Plea given to go back to maybe put some more time in the basket. \$1 doesn't go as far as it used to. One member mentioned that "we" need to be taking the lead by "showing". NA Way article about the basket, Clarence said it's an easier softer way to present the idea. He will look for it and be in touch.
- Suggestion that some type of "Starter Package" for new members at Region would help with transitions.
- Titanya wants everyone to come down to the Columbus Convention.
- Facilitator reminded body that March is slow. And in June in only Admin positions that will be up for change is RD/RDA. Therefore, we can start thinking creatively about use of time and facility.
- One member suggested bring members from your Area and Homegroups; get them involved. Maybe you could bring/invite people to attend workshops at Region.
- PR Chair said there will be space at the new website to post PowerPoint Presentations and in turn, can be used to give presentations in home areas.
- Refer members to the WSO site for multiple reference materials to materials. It would help with preparation.

Alt Treasurer- Tiffany L. straw poll can she be nominated without being present (since she was on-call at work, she submitted letter)? Straw poll: 12— will be in Minutes. [See letter below]

Dear Regional Service Committee,

I understand that the Georgia Region's Treasurer Alternate service position is open and I would like to extend my time and services to assist in those duties, aware that the position includes the willingness to secure the Treasurer's position at the end of Karen G. term.

I have attached my resume. I wish I could be there in person, but I am on call for work and must stay near work in case of emergency. However, this will not be an issue if I am voted in, as I can plan accordingly, to not be on call Region weekends. Some answers to possible questions: Yes I have fulfilled all my NA Commitments (often extending them, when needed). No, I have never misappropriated NA funds. The block of time between 2013-present I did not do NA service work at the Area/Region level, as I was in Graduate School and could not appropriately agree to a position, knowing my time was limited. I have an NA sponsor (Kim N.) and she has a sponsor, etc. I have experience with being a treasurer. I am not trained in Quickbooks; however, Karen G. has informed me that she is able to teach it to me and I feel that I am very capable of learning it quickly.

If you all can/want to vote me in today, I would love to be at the next Region meeting, ready and able to work. However, should you need to send it back to the Areas that is fine as well, whatever Region needs.

I also told Jeremy that you all could Facetime me today and ask any questions you may have. I'd love to do that, since I am unable to be there in person.

Thank you for your service at Region and thank you for considering my request for nomination.

Tiffany L

[Original Topic submitted for 2016-16] Reimbursement of Room Rates for Regional Admin with intent to allow more members to serve without the financial hardship as deciding factor to serve.

Process of discussion and modification of Topic ensued: Current Policy: ½ cost of room not to exceed \$50. One member will talk to management to see if hotels are talk to management willing to negotiate. Several straw polls taken to modify topic by using consensus on floor. 11 in favor of dropping the word “half” on article 13. Cap of \$60 per night 9 in favor. And a suggestion of sharing a room 1 in favor. \$320 financial impact of the 2016- 2017 Budget.

2016-16 [Back to groups] To remove the word “half” and to raise cap to \$60.

New Policy would read:

Approval is granted to reimburse the Georgia Regional elected Trusted Servants the cost of one room night at the RSC meeting site, if requested. For those trusted servants who live 150 miles one way or greater from the meeting site, the cost of an additional room night may be requested. Reimbursement not to exceed \$60.00 per position.

**Georgia Regional Service Committee
Treasurer's Report – December 11, 2016
Prepared by Karen M. Treasurer**

Dear Fellowship,

Since the last region we have received three bank statements for September, October, and November 2016. Greg, our RD witnessed that the bank statements from the post office were unopened upon arrival at region. The reconciliation reports, bank statements, cleared checks and deposit slips for each of these months was audited on 12/10/16 by Tate, the region facilitator and Mike, the RCMA from East End Area. All statements were found to be accurate and in order. There is one check that has not cleared the bank. It is check #2189 to Shaw Industries for \$98.90. Total cleared deposits for September, October, and November 2016 was \$4715.97. We started December region with \$9,429.53 in our bank account. The income was \$2,274.75 less than what we spent.

This December 2016 RSC, 7th Tradition deposit will be \$3,882.78. There is also a deposit in the amount of \$4.45 from H&I Learning Day from November 2015 that was monies left over from the event. After checks printed at the December 2016 region we have \$8,610.03 in the account. The income was \$819.50 less than what we spent. Our prudent reserve is \$13,321.25, so we have a shortage of \$4,711.22. One of the reasons why we have used our prudent reserve is our insurance bill was paid and the budget was increased in which the prudent reserve of 33% was increased. We are using our prudent reserve for our expenses and this is the exact reason why we have one. Our administrative board has discussed going into our prudent reserve and just wanted our region to know we are using it. We are not worried, as it will all work out.

Hugh R. met me at Suntrust Bank and became a signer on the account.

It seems like my reports are always about the previous region, and I can produce this regions treasurer reports right now. So I am going to include December 2016 reports today.

Included in my reports will be:

1. Written Treasurers Report
2. Reconciliation Reports for the RSC checking account September 2016 thru November 2016
3. Check Register entries from September 2016 Region
4. Profit & Loss Statement for September 2016 Region which shows donations by group and expenses
5. Profit & Loss Statement for September 2016 Region which shows donations by group and expenses vs Budgeted
6. Check Register entries from December 2016 Region
7. Profit & Loss Statement for December 2016 Region which shows donations by group and expenses
8. Profit & Loss Statement for December 2016 Region which shows donations by group and expenses vs Budgeted

Thank you for allowing me to serve.

I AM A GRATEFUL TRUSTED SERVANT,

Karen M.

NA HISTORY PROJECT

Group History

The Archives Committee has begun an exciting new project. We are gathering the history of the NA groups in the Georgia Area. This will give us a permanent record of the beginnings and growth of NA in our area. It has been 30 years since we produced a history of groups in GA Region. Whether your group is young or old, we would like your participation. We have obtained much interesting material for our area and we are excited about this phase of our work. Please help us by completing the form below and submitting it to the GA Region @ P.O. Box _____. If you have any questions or suggestions, please call any of the following members of the Achieves committee: _____ or at the GA Region.
