What is a “Bridge Program?”

A Temporary Contact Program – Helping inmates / clients / addicts in correctional & treatment facilities to transition to outside Narcotics Anonymous meetings

Addicts nearing release from facilities and institutions can experience feelings of fear about re-entering society. They may worry that they won't find the support to keep their recovery going. Narcotics Anonymous can help.

We “Bridge the Gap” so newly clean don't have to walk alone across that scary gap between the beginning of recovery they found through H & I meetings in facilities and the rest of recovery in NA. We will now also be able to reach the addicts that have not been able to hear our life saving message through H & I while in an institution by providing our “Information / Contact Request Form” to counselors, wardens, chaplains & RSAT contacts throughout the state of Georgia.

The programs outlined below will give the Narcotics Anonymous in the Georgia Region the opportunity to fill a void in the exit process that has been missing, helping addicts find our meetings: “Meetings keep us in touch with where we've been, but more importantly with where we could go in our recovery” Basic Text Pg 54

Basic Program: Shortly after receiving a completed request form for information, a Georgia Region Bridging Program Project Coordinator will contact the addict by sending a welcome packet that includes a meeting schedule for the area they are being released to and two NA pamphlets and a welcome letter.

Full Program: Will include the Basic Program and the addict will then be assigned a volunteer / temporary NA contact in the area in which they are being released that can meet them at their first few NA meetings. In those first critical days, the temporary NA contact will make introductions to other members of Narcotics Anonymous, and share his/her experience of recovery as experienced through the Narcotics Anonymous program.

How the Newly Clean can Request a Temporary NA Contact

The chances of recovering alone are not good. If an addict would like help in bridging the gap from an NA member volunteer in the Georgia Region Bridge Program between release and their first few meetings, they can complete the “Information / Contact Request Form” found in this document. Form must be mailed to a designated PO Box for Georgia Region Bridge Program.

The basic premise of anonymity allows addicts to attend meetings without fear of legal or social repercussions. This is an important consideration for an addict thinking about going to a meeting for the first time. Anonymity also supports an atmosphere of equality in meetings. It helps insure that no individual's personality or circumstance will be considered more important than the message of recovery shared in NA.

- *The Basic Program can be implemented right away!*
- *The Full Program will take time to implement, it will require coordination of gaining and tracking volunteers to meet newly clean at their first meeting.*

- *Budget will be submitted for Basic Program in 2012 – 2013. We will have topic to submit budget attached for this project.*
- *Budget will be submitted for Full Program during regular budget procedures in March 2013*

GEORGIA REGION BRIDGE PROGRAM
BASIC BRIDGE PROGRAM PROJECT GUIDELINES

1. The Georgia Region Basic Bridge Program is a project that will be under the umbrella of Region H & I as our volunteers will receive initial requests from the newly clean that are currently in a facility.
2. The Georgia Region Basic Bridge Program will work in cooperation with the combined efforts of the H&I, PR and WSR subcommittees of the Georgia Region of Narcotics Anonymous. Working in cooperation with these sub-committees will help the Georgia Region Bridge Program introduce facilities and the newly clean to a resource in their community. NA is available to them immediately upon exiting a facility and our purpose provides the opportunity to assist addicts to transition to active membership in the community by establishing temporary NA contact:
 - a. Providing information about Narcotics Anonymous to the newly clean who request it, to include information pamphlets (IP's),
 - b. Meeting schedule(s) for the expected Area of Georgia for their release / living arrangements
 - c. Welcome letter from Georgia Region Bridge Program
3. The Georgia Region Basic Bridge Program will be for one year as volunteers for full program are registered and volunteer data base is collected for each area of the Georgia Region.
4. The Georgia Region Bridge Program will work in cooperation by providing forms to H & I sub-committees who can distribute forms to the newly clean at H & I meetings prior to their going home.
5. The Georgia Region Bridge Program will work in cooperation with PR by providing forms and program information that can be used during presentations to facilities. The bridge program can be a resource in the community that facilities can use for their clients upon release. PR is a vital tool to help us get forms into facilities where there are currently no H & I meetings being held within the facilities.
6. The Georgia Region Bridge Program will work in cooperation with WSR committees to take the newly clean recovery to the next level upon release. WSR could include a temporary contact form with their packet when corresponding prior to their release.
7. All completed forms must be mailed in to PO Box for the Georgia Region Basic Bridge Program
8. Packet will be sent to the newly clean within two weeks from the time initial request form received.
9. Packets will include the following:
 - Staying Clean on the Outside & Welcome to Narcotics Anonymous
 - Meeting schedule(s) for the expected Area of Georgia for their living arrangements
 - Welcome letter from Georgia Region Bridge Program
10. Statistics will be tracked and reported to Georgia Region H & I on Quarterly Basis.

- 11. Tracking / Reports to include how many facilities have forms, what facilities we are working on getting the forms into and status updates on H & I actually getting forms to facilities where we already have meetings.
- 12. Tracking / Reports to include how many requests received and # for each Area requested.

We will start recruiting volunteers for full program to be rolled out in phases.

Information / Contact Request Form
Narcotics Anonymous

Our experience has shown that attending an NA meeting on the outside the same day you are released is one of the most important things you can do for your recovery. Narcotics Anonymous has begun a transition program called Georgia Region Bridge Program. The Georgia Region Bridge Program will send you information about Narcotics Anonymous. Upon your release or relocating to your home address, a volunteer may meet you at your first few meetings, introduce you to other NA members, and help you get acquainted and comfortable among new friends in NA. During this time, some of the things you will learn about are sponsors, home groups, working the steps, and service.

Your Georgia Region Bridge Program volunteer is only temporary. They won't follow you around or control your activities, nor will they provide you with a job, money, housing, food, clothing, or any other such service. The volunteer is NOT a sponsor, not even a temporary sponsor. We believe that it is best for you to choose a sponsor for yourself once you are released.

It is our hope that this service will help you find the solution that we have found. Our purpose is to carry the message of recovery, "That no addict, anywhere, need die from the horrors of addiction."

Sample Letter

Dear Friend,

Thank you for contacting Narcotics Anonymous.

NA is a fellowship of men and women for whom drugs had become a major problem. By following the program of recovery offered in Narcotics Anonymous, our members have found a way to live clean as responsible, productive members of society. NA is an international fellowship, with more than 32,000 meetings a week in over 113 countries. Our literature is translated into 47 languages. There are no dues or fees in Narcotics Anonymous. The only requirement for membership is a desire to stop using and you are a member when you say you are.

While you are still in an institution there are some things you can do to work on your own program of recovery. In Chapter 5 of the Basic Text it states, "If you are in an institution of any kind and have stopped using for the present, you can with a clear mind try this way of life.

Upon release, continue your daily program and contact a member of NA. Do this by mail, by phone, or in person. Better yet, come to our meetings." **Our bridge program is designed to meet you at your first meetings and introduce you to NA members in your Area.**

Enclosed are some information pamphlets and a meeting schedule that will be of help to you now and upon your release:

- The meeting schedule is for the Area in which you will be going upon your release.
- Having an NA Member contact you upon your release and meet you at an NA meeting
- Introduce you to other NA members in your area at the meeting
- The pamphlets have important information to help you transition to outside meetings.
 - Staying Clean on the Outside
 - Welcome to Narcotics Anonymous

Some additional suggestions that have worked for others on their journey of recovery are:

- Don't use no matter what
- Go to 90 meetings in 90 days
- Get a sponsor
- Read our N.A. literature

We hope that this letter and the information we have enclosed has given you some direction and we hope to see you at your first meeting in the community upon your release.

When at the end of the road we find that we can no longer function as a human being, either with or without drugs, we all face the same dilemma. What is there left to do? There seems to be this alternative: either go on as best we can to the bitter ends – jails, institutions, or death – or find a new way to live. In years gone by, very few addicts ever had this last choice. Those who are addicted today are more fortunate. For the first time in history, a simple way has been proving itself in the lives of many addicts. It is available to us all. This is a simple spiritual – not religious – program, known as Narcotics Anonymous.

Georgia Region Bridge Program – A Temporary Contact Service

Addicts nearing release from facilities and institutions can experience feelings of fear about re-entering society. They may worry that they won’t find the support to keep their recovery going. Narcotics Anonymous can help.

We “Bridge the Gap” so newly released addicts don’t have to walk alone across that scary gap between the beginning of recovery in treatment or jail and the rest of recovery in NA.

Shortly after receiving a request for help, an NA volunteer will contact the addict. In those first critical days, the temporary NA contact will accompany the addict to a variety of NA meetings, make introductions to other members of Narcotics Anonymous, and share his/her experience of recovery as experienced through the Narcotics Anonymous program.

How to Request a Temporary Contact

The chances of recovering alone are not good. If you would like help for an addict in bridging the gap between release and their first meeting, please request a temporary contact on our website within a few days of release or provide your client with the information to get in touch on their own. Please provide the city where they will be living after release and a phone number where we can reach them after release.

Please note: Some professionals have their clients sign a release of information when he/she does not have internet access.

- 1. Complete a request for at: www.grscna.com Bridge Program > For Professionals > Request a Temporary Contact
- Send an email with your request and contact information to nabridgeprogram@gmail.com
- Call the NA Georgia Region helpline at 1-877-9-GRSCNA
- Text “I need a Temp Contact” to 1-678-688-6242 (Google Voice #)
- 678-688-NAGA
- Write to: Georgia Region Bridge Program, PO Box 49786, Athens, GA 30604

If you have any questions, please contact us on our website www.grscna.com or send an email to: nabridgeprogram@gmail.com

Narcotics Anonymous: A Resource in Your Community

Narcotics Anonymous is a nonprofit, international, community-based organization for recovering addicts, which is active in over 130 countries. Narcotics Anonymous (NA) members learn from one another how to live drug-free and recover from the effects of addiction in their lives. If you have considered recommending Narcotics Anonymous to someone who has a drug problem, you may have a few questions about our organization. This pamphlet is designed to answer those questions.

WHAT IS THE GEORGIA REGION BRIDGE PROGRAM AND HOW YOU CAN YOU HELP?

Volunteers are the “bridges” to the NA fellowship. You introduce new addicts to other addicts so they have a broad, healthy base for their recovery program. It is suggested that the volunteer have at least one year clean. We want the newcomer to know that they are welcome in Narcotics Anonymous.

HOW IT WORKS

Fill out a volunteer form and leave it in the drop box on the table. Take one of the information pamphlets with you to read more about how the Georgia Region Bridge Program works.

The Georgia Region Bridge Program needs volunteers in all Area's!

(SAMPLE announcement to GSR's / Area's)

Georgia Region Bridge Program Announcement

The Georgia Region fellowship has adopted a new state-wide project called "The Georgia Region Bridge Program". The purpose of the bridge program is to provide a "Bridge" between people reentering their communities from in-patient treatment or incarceration and their first meeting of Narcotics Anonymous.

3 WAYS TO SIGN UP TO VOLUNTEER

- Go to: www.grscna.com and click on "Volunteer Opportunities"
 - On the right side of the screen, follow the instructions to login.
 - On the left side of the screen, click on "Volunteer Opportunities" and then select to "Be a Temporary Contact"
 - Complete the form
- Email your contact information to: bridgeprogram@grscna.com (sample)
- Text TEMP CONTACT to 1-XXX-XXX-XXXX (Google Voice #)

HOW IT WORKS

When you volunteer, you we ask you to provide your name, telephone number, your email address, the community in which you attend meetings, your clean date, your gender, and your age group. This information is used to match you to the newcomer. It is only viewed by the Bridge committee members and is never released to any other NA member or outside organization.

When a request for a temporary contact is received, you will get a phone call to see if you are available to help out. You can always decline and we will ask you again the next time. The newcomer's contact information will be given to the first available volunteer.

You will arrange to connect with the newcomer at a meeting as soon as possible. At the meeting you will introduce the newcomer to other members of the fellowship, explain about NA literature, provide a meeting list, and encourage the newcomer to join in fellowship after the meeting. You will make additional arrangements to meet at two or three meetings over the next couple of weeks.

This is not a temporary sponsor program. It is simply helping the newcomer feel welcome and connected to the fellowship. That is all there is to it. Help make this program a success and volunteer today.

Full details of the program are available. Simply see a bridge committee member to request a full packet.
